

## Surge Protector

### NVS-021CB-HD

#### GENERAL

|             |                                      |
|-------------|--------------------------------------|
| Device Type | Single Channel Video Surge Protector |
|-------------|--------------------------------------|

#### VIDEO PROTECTION

|                                            |                |
|--------------------------------------------|----------------|
| Continuous Operating Voltage               | 5 V            |
| Max Voltage Operating                      | 6 V            |
| Nominal Discharging Current (8/20 $\mu$ s) | 5 kA           |
| Max Discharging Current (8/20 $\mu$ s)     | 10 kA          |
| Limit Voltage (10/700 $\mu$ s)             | < 20 V         |
| Response Time                              | $\leq 1$ ns    |
| Insertion Impedence                        | $\leq 1\Omega$ |

#### INSTALLATION PARAMETERS

|                       |                          |
|-----------------------|--------------------------|
| Operating Temperature | -40°C ~ 55°C             |
| Dimensions (mm)       | 65 (W) x 25 (H) x 25 (L) |
| Case                  | aluminium, black         |
