

Electromagnetic lock

KDA-LOCK280DZ-BLACK

power consumption	480mA for 12VAC / 240mA for 24VDC
-------------------	-----------------------------------

Producer	KaDe
----------	------

power	24 V - 12V DC
-------	---------------

dimensions	250 x 47 x 26
------------	---------------

Holding force for electromagnetic / maximum pressure 280Kg for electric bolt	
---	--
